How to Join Webinar:

- Click on the Webinar.
- Click on "Launch Event" if the Webex app is installed in your system; otherwise, click on "Join from Browser."
- Enter your name and email address and click on Join as a guest.
- Click on the "Join Webinar" button.

Technical Reminders:

- Please use a hard-wired Ethernet internet connection if possible (high-speed Wi-Fi will also be OK)
- Please arrange your laptop/camera so your eye line is level with the camera.
- Please keep mobile phones on silent and close other tabs to avoid distractions.
- It is recommended that a light source (natural light if possible) is behind the camera and not behind you!
- Where possible, please use a headset or headphones for your session.
