# FAQs

## **How do I apply?**

fill out the inquiry form, meet the shortlisting criteria on [zenorahub.com](https://zenorahub.com)

## **Why is there a shortlisting process?**

The shortlisting process ensures a cohort of professionals with similar expertise and experience, enabling meaningful discussions and collaborative learning.

## **Will I receive a certificate upon completion?**

Yes, participants who successfully complete the program will receive a joint certificate from TERI (The Energy and Resources Institute), NDTV, and Zenora.

## **Do I need to attend the 2 day in-person immersion?**

Yes, the two-day campus immersion is a critical component, featuring interactive workshops, networking, and real-world ESG problem-solving sessions.

## **Is accommodation provided for on-campus immersion?**

Yes. On twin sharing basis at the TERI campus.

## **What are the technical and logistical requirements?**

Participants need a stable internet connection and a laptop or PC with audio and video. Session access details will be shared after enrollment. If you miss a session, recordings and supplementary materials will be provided to keep you on track.

## **What is the expected time commitment outside live sessions?**

Participants should dedicate additional time for pre-session readings, assignments, and capstone project development.
